

A Tribute to Dave Rossnagel

PAST CHAPTER PRESIDENT AND NATIONAL CHAIRMAN

Dave personally provided decades of support to the NY/NJ Chapter and the FMS National Chapter as a Member and Officer. Dave held each Officer position in the NY/NJ Chapter and served as Chapter President in 2002. He later served as Chairman of the FMS National Chapter.

Dave was best known for giving his time and effort to improve the lives of all of those he touched both within the industry and in his personal life. He performed extensive works of charity for his church and to help the less fortunate through organizations such as Habitat for Humanity.

In accordance with Chapter tradition, The NY/NJ Chapter precedes each meeting with a prayer of invocation. The Chapter Officers frequently called upon Dave to perform this important Chapter service.

Dave supported the Chapter by serving on a number of Chapter Committees.
